Venus Goddess

“Even for me!
Things have gotten way too peaceful.
No offense to peace!

Lilith Goddess

“This story has only begun!
Yeah! Come on! We have to have fun!
We need something totally different!
Something that’s new! What should we do?!”

Venus and Lilith Goddesses

“What should we do?!”

Golden Goddess

“Polarity! Opposite to ‘SHE’. A mirror inconvenient.”
“Another kind of human. A different kind of sexy!”

Venus and Lilith Goddesses

“Sexy!? What kind of sexy?! Do tell us more!”

Venus Goddess

“We do need variety!

Good for the Ladies! Ultimate learning.
Wholesome growth from contrast.”

Golden, Venus and Lilith Goddesses

“A new take on reality!”

4. BAD DREAM

Layered Angel Voices

“OOOooh!”

(Screaming... Baby Crying...)

Mom

“I just had the most horrible dream. It felt so real!
I was in so much pain!
And then this needy thing arrived... attached to me!
By my vagina...!”

Mom’s Friends

“It was only a bad dream!”

5. Trio (BabyMan)

Trio Ladies

“Ladies’ Lair Lake!
Oh, how peaceful!
Mother Nature!

Thank you, Goddess... for all you’ve given us!

We praise!

But... what is this?!

We don’t mean to seem ungrateful...

But why do we suddenly have this thing?!”

BabyMan (overlapping)

“Hi, I’m here!

Where is here?

Where am I?
Now you must take care of me.
I'm hungry!"

Trio Ladies

"Is this a punishment for some reason?
Can we give it back?
Passing through our ripped open virgin holes..."

Mom

"You must know!"

Trio Ladies

"That really hurts!"

BabyMan

"Wahhhhhh!"

Mom

"We know you must have a very good reason.
Is this our obligation?!"

Mom's Friends

"Doo, doo doo, doo doo"

BabyMan

"It's not my fault, by the way.
Feed me now!
Mommy!"

Trio Ladies

"Just a reminder...
We do have our passions,
and we prefer peace..."

La, la, la, la, la
Ladies' Lair Lake!"

Venus Goddess

I feel bad for him too!
Our experiment is tearing their whole peaceful world apart!”

Lilith Goddess

“It serves them right!
I told you they’re all bitches!
And you saw how our first Mom disposed of him!
So ungrateful!

They don’t even believe in me!
And I have no mercy!”

We can be sneaky too!”

Golden Goddess

“We set the ball in motion,
We should give them all a chance.
They are not all the same, the push and pull is all a dance!
After all, the BabyMan is quite annoying!
And the whole child-birth thing, now that was really harsh!”

Venus Goddess

“Yes, I agree!
The childbirth pain was too much!
We’ll do better next time!
I said next time!
We’ll do better next time!
We’ll do better next time!”

Golden, Venus and Lilith Goddesses

“Let us all consult the Nature Spirit!
Calling on the wise,
all knowing Mother Nature!”

10. RED HANDED

Window Watchers 1 and 2 (overlapping)

“I should feel so happy, but really I’m scared
We now have our own little BabyMan!
Do we keep him a secret?
They will find out eventually
Maybe we’ll be heroes?!
What if Goddess knows?
I hear someone coming! Must hide!”

Mom (overlapping)

“Looks like I got away?!
But I am still shaking with fear!
What have I done?
Oh, What have I done?!
Must hide!”

Window Watchers 1 and 2 (overlapping)

“Oh no! She knows!
Oh no! She knows!
We should have known they’d know!”

Mom (overlapping)

“Oh no! They know!

I should have known they’d know! Oh no!”

But we want him!

It’s okay, it’s perfect!”

Mom (overlapping)

“I don’t want him, but you want him. It’s really okay!

It’s really okay!

It’s kinda perfect!”

Window Watchers 1 and 2

“Let’s tell Mother Nature!”

Mom

“I’m sure she already knows!”

(Part 2, overlapping call and response)

Mother Nature

“Yes, we know!

And you’ve been so brave!

Mom

“Thank you! What should I do? I am scared and all alone.”

Mother Nature

“Face your fears! Go into the deepest forest alone.”

Mom

“I am ready, can’t go back now.”

Mother Nature

“Don’t worry, just respond most naturally.”

Mom

“What even is ‘naturally’?”

Mother Nature

“...Then go tell everyone you know- what you learned.”

Mom

“I’ll go find out, and tell my friends!”

Mother Nature

“Time to start the cycle, time to start the cycle, time...”

11. CALLING ON MOTHER NATURE

Golden, Venus and Lilith Goddesses

“Calling on Mother Nature!

Spirit of all!

Please advise!

We need you more than ever now!”

12. PHALLIC FOREST

Males

“Oooohhhhhh.....”

Mom

Trapped in my fear, in my guilt, in my mind?!”

Males

“Ooooh! Whaaah!? Whoooah! Yaaaah!”

Mom

“I am no longer at home in nature!? I feel so vulnerable here...”

Males

“Come hither, come here!

We are all oh so attracted to fear!”

Mom

“Whoah~Oooh! You are so large and so scary!

Do you think- it’s sexy when- I’m cutely cowering with fear?!”

Males

“Oh Baby, Yeah! You’re super cutely sexy, yeah!”

Mom

“Here I was just kinda thinking, you’re cute too!

Will you do a dance for me?

I am new to this whole manly thing- it’s interesting!”

Males

“How did we do? Was that sexy to you?”

Mom

“That was good, but I really must go.”

Males

“What would we do without you?
Don’t go!”

13. SEX PARTY AND BABIES

Lady

“My Friends!
You have to go visit this special forest!
You’ll love it!
Head that way!”

14. SEASONS

Mother Nature

“Instinct Rises! Instinct Rises!”

Seasons Singers

“Wake up! Wake up! Our instinct rises!
Here come bright green leaves and lady flowers
Hibernating seeds have been waiting impatiently for springtime rain!”

Mother Nature

“Transformation!
Time to have that talk about the birds and bees!
Another Mother Story!”

Pregnant Lady

“This time the mother is ME!”

Seasons Singers

“So many changes!
Now we have Father Time!
The contrast is a lot to adjust to,
And now it’s Summertime!”

“Oh Shiny Sun! Golden Goddess!
So sweaty though, glad to be nude!
I must find shade
How I’m feeling lazy!
I’ll swim with this fish!”

“Oh-oh-oh-oh-oh....
I’m so ready!
So refreshing!
Let it go, yeah FALL leaves falling!
Feeling the breeze and the waning days!
Cycles, cycles, color fades...”

“No green left. We never knew death.
Huddle close
What kind of poem is winter?
Go to sleep.
All Must die...”
